

COBRA Services

Tools, Knowledge, & Dedication to Make Compliance Easy

MPAY - Your COBRA Administration Partner

COBRA is a challenging and complex law and proper administration requires professional expertise - that's where MPAY can help.

- Eliminate time-consuming calls regarding payments, coverage, etc. MPAY provides full service to you and your participants directly.
- Stay compliant and avoid costly penalties associated with legal and regulatory compliance issues.
- Free your resources with MPAY handling distribution of notifications, collection and remittance of premium payments, rate and termination notices, HIPAA Certificates, and more.

COBRA Compliance Made Easy

Employ a state-of-the-art system designed to meet ongoing changes. Our web-based platform provides everything you need to administer COBRA.

Employers can:

- Add newly participating employees and qualifying events
- Update participants' personal information
- View and download reports anytime and anywhere

Participants can view:

- Amount of time remaining to submit premiums
- Status and letters received
- Amount of premium due

About COBRA

Employers with twenty or more employees are usually required to offer the right to temporary continuation of health coverage under the Consolidated Omnibus Budget Reconciliation Act.

Organizations with fewer than 20 employees may be subject to state insurance continuation provisions, commonly called "mini-COBRA".
